Back in 1967, in a remote village in the south Indian state of Tamilnadu (Madurai today) a young tribesman was training to be a diver. His village was going through a drought and the only way to earn a living for his family was to travel to the coast to earn a living by diving for pearls. He soon meets a beautiful young woman who convinces him to be her husband, and they buy him pearl diving gear. Soon after they are married, they travel to the coast. There they find out what they are really risking and they do not come back. The film follows the story of the young man who now lives in the small village. He and the rest of his family try to make a living, and eventually other families from the coast come to the village, and it becomes a boarding school/family home. The main character's brother travels to Madurai from the coast to track his brother down. 7G rainbow colony movie download in hindi dubbed, 7g rainbow colony (film) download 720p hd, 7g rainbow colony (2004) full movie hd download in hindi dubbed and. 7G rainbow colony hindi dubbed full movie download 720p, 7G rainbow colony movie download in hindi dubbed, 7g rainbow colony full movie download 720p 82138339de
