

The answer is that serial number E909095 is a genuine Fender serial number from 1989. What is the age of the 58 Smith and Wesson serial number 00301? This was the model we released in 1994, and it was the first one to come out with serial number 00. In any case, this Smith & Wesson was one year older than the Fender. It was also one year younger than our 58 Smith and Wesson with serial number 00013. Our sample with serial number 00301 had the same serial number as another Smith & Wesson that we released in 1994, which is in line with the standard applicable to this particular Smith & Wesson.
