Travel to the greater Modesto area with a clear road of arteries, and find easy access to everything great about town. Being close to Safeway, Stockton, Modesto City, and Weedville, a dynamic central location is the ultimate place for a "Short Trip" and come back bigger and richer for a "Long Time". On the way to a vibrant economy "The future is going to be built by people who are going to be living in the houses around here," said county Supervisor Joseph Fortunato at a public meeting on September 27, 2011, about his plan to transform a disused section of the island of Manhattan into a 24-acre waterfront community called Lower Manhattan. The meeting was held in the historic Clinton Square municipal building in downtown St. Petersburg, overlooking the St. Johns River. The audience of local elected officials, business and community leaders heard about plans to accommodate a future population of over 14,000 residents and built upon his presentation, which included a video with projections of the new communities along the rest of the waterfront. For centuries, the St. Petersburg area has been a place that welcomes people from across the globe to live, work and prosper. It is a diverse place that thrives on creative entrepreneurs, service providers, and small businesses. f30f4ceada
