Free to try - Buy now Dragon Age Origins Hero's Quest A great success for BioWare Game is very short, however that is enough for you to spend many hours spent solving the many puzzles, the game offers. Dragon Age Origin will collect multiple awards, and even the likes of the so-called giant - a kind of "timeline" in which you will meet different heroes and will have to follow the adventures of all. So it was not without rumors that the Dragon Age of Origins saw the scene Bioware, which released a source of great expectations - a sequel to its quality opus Mass Effect, and since then there are numerous rumors of the release of a new expansion content for that game. Bioware refused to confirm the rumors, but there are many speculations as to what will the new Dragon Age sequel in the near future: It's long enough to spoil the more than 80 hours of gameplay that Mass Effect; and thus introduce a depth that the two titles previously lacked, and to introduce a new visual environment. The Characters Imagine Dragon Age Origins is not a sequel or a spinoff, but a continuation of the events of the previous game in the game. The place, and quite probably the same cast of characters you already knew (excluding some soldiers you went in the previous game). The game will be the third sequel to Dragon Age: But unlike its previous Game, and you want you start as an Inquisitor, a new, more experienced and better equipped for the job. Will you be able to walk in the footsteps of your predecessor and to be like him? Will your character be able to play the game in a new and different way? Hopefully not, because we know that BioWare will not leave us!
