With all the years of experience, how could she not know this was a problem? Honestly, I've never seen a doctor afraid to say it to a patient! I'd still recommend your doctor to you. Those who recommended me to your doctor were all fine. It turned out that my doctor knows how to treat male infertility, and he has a lot of experience in this. For example, the doctor proposed me a treatment based on my infertility history, and it worked. The treatment was simple: I had to increase my daily intake of fruits and vegetables, and had to
