First version! Feedback are welcome! Keep posted with the update as more levels and game modes will be available with time. All the best! 3DGame.com Team I apologize for the bad English, I'm french. I'll try to make the game more clear. Attachments The man with the dreads. is that possible to add all monsters in a level (not just in last level). the idea is to unlock the full version of the game when all monsters are unlock. this option will allow to have a level with only two enemy and an achievement to unlock hi, i'm trying to get more tap and hold to have more potions. i've tried with 2 air pocus but i want all potions. I know there is a function but i'm tired. you can help me plz for 2 air pocus with all potions? thanks difficulty might be a little bit too high, right now? it will be more difficult and with more potions to get coins. i'm playing on the very difficult setting and i'm stillnt getting any potion You can try to reduce the number of coins needed to unlock other monsters and/or add more coins. Our favorite game... You really have an amazing design skills! Its so good to see that you can get some money through space. I wish many many space busses have a big number of passengers, but you will do your best in next version, hope you can! :) You do not have permission to post a review of this

## **Duck Life: Space Crack X64**

Prepare to go galactic in the biggest Duck Life adventure ever! It is a peaceful day on Earth. You are enjoying your fame and fortune being the world duck racing champion. All of a sudden, a wormhole materialises in the sky and an evil looking alien duck appears. Without hesitation, he steals your hard-earned champion crown and flies off into space. Now it's up to you to get it back! Train up in running, flying, swimming, climbing, jumping and (for the first time ever) intelligence so you can race your way across the universe to get back your crown! Explore exotic worlds to find new training mini games and wacky duck aliens to race. Enter the duck racing tournament on each world to win a trip to another planet, and get one step closer to your goal! You don't have to go it alone! Enter a shop to buy new members for your duck racing team, and become an

unstoppable racing force! You can also buy clothes, hats and hairstyles for your ducks to make sure they're the most stylish champions around! Duck Life 3: Mutant Planet Duck Life 3: Mutant Planet is the next chapter of the game where your ducks have to race across the desert. A tough mountain provides you with obstacles. Use the game's new head-tracking to dive, jump and race with your ducks across this dangerous planet. Use your brain power to improve your abilities and your ducks to navigate through the desert. But beware, with the introduction of new brain ability you'll face new challenges. Be prepared to master all the game's crazy new challenges and earn all achievements in the game.

Duck Life 4: Sun, Moon & Star Duck Life 4: Sun, Moon and Star is the next chapter of the game that takes you to an alien world, a mysterious planet! With a new ability, you'll be able to jump between the worlds and take over a hostile enemy world. With your newly found brain power, you can now build and create land-mines to stop your opponents from sneaking into your world. Get ready for another race across a different planet and into the universe to stop the enemy and protect your world. Duck Life: Fun & Friends In Fun & Friends, there's more than just ducks racing in the sky; there's friendship, laughter and fun.

## **What's new in Duck Life: Space:**

**to Fly "Duck Life: Space to Fly" is the nineteenth single by Japanese pop artist Ringo Sheena. It was released on January 28, 2004, the first single of 2004. The single includes "Orange Mystery", a previously recorded song, her first official single as a solo artist after the breakup of her former band members, L'Arc~en~Ciel. At the time it was co-produced by Gomi. The single peaked at #4 on the Oricon chart and sold over 79,000 copies. It has been re-released on Ringo Sheena's album Cats & Dogs. It was re-released again on September 13, 2006 as the first single of Ringo Sheena's album, New Beginning. A music video was made for the single and released in January 2004. As of 2006, only 53,000 copies were sold. Background Duck Life: Space to Fly is her first single released on January 28, 2004, before her first solo album Orange Mystery in early 2003. The single peaked at number 4 on the Oricon chart and sold 79,000 copies in Japan. As with most of her previous singles, Sheena wrote the music and lyrics for the song. The song was originally a demo Sheena sang for L'Arc~en~Ciel members. Music video A music video was made for "Duck Life: Space to Fly", directed by Tak Sakaguchi. It was used in "New Beginning" and "Cats & Dogs" music videos. It is divided into three parts, with each part introducing a small segment of a life cycle of the "Duck". Sheena plays both the fictional 'Horobi' (the duck in the first part, and the duck in the final part), and Terry (the duck in the first part, and the rabbit in the final part). She also plays the duck in the last segment, which is part of her life cycle. At the end, the video closes on footage of the theme song.
