Rise, Tarnished, and become a powerful lord in the Lands Between. ■ **STORY** There is a never-ending war between the Light and Darkness. A part of the Dusklands became the Elden Ring, an area inhabited by the carefree, in the area where darkness is bound to time. ◆ **THE BEGINNING** A millennium ago, humanity was destroyed by a mysterious phenomenon known as the Shadowstorm. There are only a few residents of the Elden Ring. The place where darkness flows freely, and in which everything is linked to time, is a place of peace. The darkness fell into the land known as the Elden Ring, and the Dark Lord in the region killed the Moon Saint. The Dark Lord's death triggered the Dream Dragon Festival, when large dreams appear in the Land Between. Humanity is given a chance to rise again after a millennium of darkness. In the Dream Dragon Festival, the Dark Lord is resurrected and attempts to destroy the Moon Saint. ■ **WORLD** The Lands Between Worlds between the Dusklands, where darkness is bound to time, exist in the form of patches. The Elden Ring is one such patch. The Lands Between is a vast, interconnected world that constantly changes. The world is composed of several patches where life and darkness coexist. The deeper you wander, the closer you get to the Dusklands, in which you will face the danger of getting lost, the denizens of darkness, and even the source of darkness. In addition, monsters called the Nightmare appear in the patch based on the current phase. The Nightmare is an agent of the darkness. They are an extremely powerful force that greatly debilitates their surroundings. In the Darkness Phase, they are particularly strong, and in the Light Phase, they tend to be exposed. The Nights Between The Darkness Phase is when the Nightmare is strong. In order to survive, you must become stronger. The Darkness between the Dusklands.
