The popular action RPG The Elder Scrolls Online, a global success, set a new standard for online RPGs with its rich and fluid combat, coexisting and competing with powerful organizations and warring factions, and a vast, highly-immersive world with a complex and branching story line. The Elder Scrolls Online Game Engine is built from the ground up for online play with stunning visuals and features for the most thrilling and immersive gameplay experiences possible. TESO GAME ENGINE: A Single Player game engine that supports asynchronous and synchronous online play with up to 24 players. Online Quick Match and Player Search systems which allow players to find friends and opponents with ease. A 50x50 wide open world where exploring new locations and interacting with your surroundings is crucial to success. MULTIPLAYER GAME PLAY: Experience the thrill of surviving the waves of digital monsters on the world's most advanced and massive MMO battlegrounds that are randomly generated. Choose from 8 different class roles with different combat styles and unique skills to form your own alliances and playstyles in a world where competing factions are on the rise. Together with up to 24 of your friends, join a guild, and explore countless locations in the world where you can exchange your valuable treasures in a big economic market and participate in different activities. EXPERIENCE THE GAME'S LARGEST OPEN WORLD: Experience the thrill of exploring a 50x50 wide open world in the Lands Between where the action is always escalating. Discover hundreds of different locations, including different cities and settlements, large open fields, and vast dungeons with complex and three-dimensional designs. Travel to places in the world and into other realms, which are quickly becoming a part of history thanks to their current state of affairs. Challenge yourself to a variety of adventures and quests, and participate in activities that will grant you XP and valuable treasures while you're there. THE EVOLUTION OF TESO: Enhanced and optimized over time for better gameplay and enjoyment of the game by focusing on the issues that players have identified. Adapted the game's world to match the player's current needs in order to provide a more satisfying gameplay experience. Optimized thousands of highly popular class skills and items to address the issues that players have brought up over time. Improved and updated the game's existing script to match the strength and skill level of the
