### **Story**

Demetrius and Delphia were chosen by the ring of power and destiny to be the inheritors of the substance of dreams and nightmares. As the pair went forward into the legendary Lands Below, they survived the tumultuous journey in the company of a set of companions gathered from across the world to fight side-by-side with each other. But now, in these lands that predate time, one of their number, the legendary King of Crypts, has vanished, leading to a mystery which only has one answer: ***The Exiled One.***
