The first 5k of the year took place on May 9th. Schools were asked to participate through their athletic directors or athletic directors specifically in charge of promoting physical activity for

their school. The second 5k of the year will be taking place on Friday, May 16th, 2017. Be sure to mark that date on your calendars. Again, schools that are participating are asked to have their athletes wear a YTS Long Sleeve with the Runners in Tech logo. All proceeds from the Runners in Tech Royce Five 5k are donated to the Boys and Girls Club of Yakima. Of all the dates to choose, May 16th seemed like the perfect date to throw a fun 5k in the Yakima area. As a sport/athletic trainer for several of the YTS schools, I have had the opportunity to train the athletes for both the 5k and 10k at the YTS athletic complex (it doesn't get much better than this!) and continue to support the program through the sponsorship. The Club provides a safe, fun, healthy place for kids to be active and have a great time while learning life and job skills in a fun and exciting atmosphere.
