Overview of the game:

Fantasy is no longer a realm of fantasy. Fantasy has now become a realm of life. The Lands Between exist between Earth and Elden, which is governed by a set of norms. This is the world of action and drama where the fantasy genre meets the action genre. The Lands Between lies in a place where magic exists and yet is undeveloped. It is a world where life and magic blossom together at first, where man and machine mutually help each other; a world where evil is a malady that can be cured with nobility. Elden, which is separated from Elden, is a nation with a strong belief in God, where the days of peace and prosperity are just beginning. The Inland Sea which lies between the two nations consists of islands of all shapes and sizes. The peoples on the islands trade with one another by ship, and, when the need arises, fight a duel there using weapons that developed for the fighting of sea beasts. They use guns, stars, water, and phantoms as weapons. In addition, a variety of resources abound in the Lands Between; there is a huge forest full of trees and mud which, though it lacks in breadth, is enormous in depth. There are also a variety of plains, swamps, and deserts in the Lands Between. The King Tower, which is the mainstay of Elden, has been standing on the border of the plains and the forest for a long time. The King Tower is a monument with large scale and an impressive capacity for defense, being surrounded by a moat, surrounded by five other towers at regular intervals. Chapter 1: Rise ※Chapter 2: Battle for the fate of the Elden Realm! Chapter 3: The Power of the Elden Ring Chapter 4: A Shadow Large enough to span an Era Chapter 5: Experience a journey with the Elden Realm! Each chapter introduces an exciting new adventure that will be sure to keep you on the edge of your seat. The worlds depicted in the pages of the title epic will surely stand in the shadows of the Land Between for generations to come! NEED TO BE CREATED. At Tarnished, we are well aware of the amount of work it takes to create a new role-playing game. That's why our aim is to have the game ready to be launched as soon as possible and at the same time, to provide as many hands to help in the development as possible. This means that this will be a game that needs to be entirely created by Tarnished. All we ask is that you keep Tarnished's principles, ideals and values in mind while creating this unique new world! EVERYTHING WILL BE CREATED. Chapter 2: Battle for the fate of the Elden Realm! Deliver meaningful story content in game and in-game message. Chapter 2 will come out in the near future, in tandem with Chapter 1 of the game. During the planning and development process of the game, we've worked hard to ensure that the pacing would not be impacted by the longer development time. A cross-development, between Chapter 1 and Chapter 2 of the game, is planned. In the event that Chapter 1 comes out earlier than planned due to unforeseen events, Chapter 2 will continue development in parallel with Chapter 1, so that both characters and gameplay will be progressing towards the goal of releasing them together. Developing Chapter 2 separately from Chapter 1 will allow us to continue to enhance Chapter 1 and increase the quality of its development. Furthermore, it will allow us to release Chapter 1 as soon as possible, so that we can all enjoy it! In Chapter 2, you will be able to interact with a new character. Furthermore, you will be able to explore the new lands of the world and encounter a different type of enemy! What will you do to save your world? The new
