It is used to introduce new balls through the new video-based ball physics system (VBPS). This allows players to control the direction of the ball mid-flight by changing the spin direction of the ball as it is in the air, due to the movement of the arm or elbow. This feature also allows players to make more plays off the boot or knee by adjusting the direction of their strike. Additionally, EA SPORTS Illuminations – the world-class technology company that brings hyper-realistic lighting and reflections to FIFA titles – has been working to present players with a wider spectrum of real-world lighting conditions, both day and night, in order to give players more of the true-to-life lighting and atmospheric qualities that they expect from a FIFA game. As the team behind the FIFA franchise for more than a decade, EA Sports has dedicated the full year to this major build and we are confident that you will be inspired to live your dreams. FIFA is an authentic sports experience that has been enjoyed by more than 750 million players worldwide. In FIFA, you create a player and invite your friends into your virtual league. You make trades to fill your squads with players from across the globe. And then you play. You start off as a virtual unknown, and you rise through the ranks, drafting players, making deals, and winning games. In FIFA, you play the game the way it was meant to be played. How is FIFA rated? FIFA has received an "M" rating from the Entertainment Software Rating Board. How do I play FIFA? FIFA comes in easy, normal, and hard modes. Easy mode is for those new to the series; normal mode is for those who are familiar with it; and hard mode is for the more experienced players. Each of these modes is separated into Challenge mode (where you can test your skills in the most difficult of settings), Career mode, and the beautiful, life-like The Journey. In Career mode, you control your player through a league over a season. At the beginning of each game, you build your player team by acquiring players through transfer deals or buying them in a squad auction. You then assign your virtual player to a position on the pitch. From there, you guide your player up the ranks of your club, playing against club mates and clubs from around the world in true head-to-head matches. In The Journey mode, you select one of the game's 12 legendary players, and find out what makes them special. What are the modes in FIFA? FIFA's eight major modes include: Career, The Journey, Local Multiplayer, Online Matchmaking, Online Seasons, Online Leagues, Online Tournaments, and Online Leagues. What are Career and The Journey? In Career mode, you guide your player through a league over a season. At the beginning of each game, you build your player team by acquiring players through transfer deals or buying them in a squad auction. You then assign your virtual player to a position on the pitch. From there, you guide your player up the ranks of your club, playing against club mates and clubs from around the world in true head-to-head matches. FIFA's 12 legendary players all have a journey to take and you get to experience the highs and lows of their careers as you travel through bc9fd6dda
