FIFA is one of the biggest names in the sporting world. The name stands for Electronic Arts Football, and the FIFA series is the world’s most popular and best-selling sports game franchise. FIFA is dedicated to bringing the game closest to reality possible - the player is given the freedom to perform as naturally as they

can, and the game reacts to every move and every touch in real-time - giving the game a dramatic, life-like atmosphere. FIFA is comprised of the following modes: FIFA Ultimate Team™ Take on the role of your favorite player and build the ultimate dream team from your favourite footballers. Make the most of your star ratings to take your team on a journey, competing in the official FIFA Leagues and in the all new Seasons mode. FIFA Mobile™ In FIFA Mobile, you can play as all of your favourite football stars, and challenge all of your friends and other football fans to compete in the weekly tournaments and climb the leaderboards. The Master League™ Play as your favourite club and dominate the football world. Your ball, your way - you dictate the outcome. From January to May, the leaderboards are brimming with competition. Will you succeed as the Master League King? FIFA™ Ultimate League Take on rival clubs from across the world in the official FIFA Ultimate League. The yearly season sees you competing in a thrilling tournament of epic proportions, from the pitch to the pub. Get involved in the World Cup™ qualifiers, the international friendlies and the UEFA Champions League™. What else is new in FIFA 22? The FIFA soundtrack includes 38 new songs, while the soundtrack in FIFA Ultimate Team will have 13 songs, including the music from the World Cup™. FIFA 22 also features a new FIFA Ultimate Team Manager mode. This lets you build your dream team and take them on a journey - from youth to pro, using the new My Career Mode. In our development studio, we've focused on a number of areas to make FIFA 22 more immersive: New ball physics We've included new ball physics to give a more natural feel on every shot, free-kick or penalty kick. New ball control Dynamic and unpredictable ball control, driven by the in-game physics, will add a more realistic touch to dribbling and passing. Gives you a bc9d6d6daa
