He was expected to make an appearance at the event on Tuesday. "We want to make sure students know about the program, the new faculty and the new facilities. And get them to think about what is ahead," says Peters. This year's commencement exercises represent NIU's first time using the new facilities at Veteran's Memorial Stadium. And Peters says it's going to be a challenging event. "We want them to recognize that everything they've accomplished is an enormous achievement," he says. "We want them to recognize the fact that they've made so much progress e79caf774b
