Spirit of Wonder â€" an English version of. Below the Breeze â€" another spin-off title of the. Muv-Luv Muv-Luv Alternative MX vs ATV All Out MX vs ATX Reflex MX vs.Captain America: Civil War Review On May 5, 2015, the MCU will give its first truly self-contained movie in Marvel's Cinematic Universe, Captain America: Civil War. It will feature an Avengers team, led by Captain America, squaring off against Iron Man and his controversial team of supervillains. The first trailer for the film has leaked, revealing a completely new look at two sides of Civil War. Before we dive into Civil War, let's take a look at the film's predecessors. Captain America 3 Since Captain America: The First Avenger, there have been three solo Captain America movies. The first was Captain America: The Winter Soldier. While this film featured characters like Falcon and Black Widow, it focused on Captain America. In the film, Captain America and the Falcon take on HYDRA, a similar organization to the Nazi SS. This film acts as a prologue to both Captain America: The Winter Soldier and Civil War. Captain America: The Winter Soldier Following this film, the MCU gave us Captain America: Civil War. This film takes place during the events of The Winter Solider. In this film, the MCU went back in time, showing the battle between the team of superheroes, led by Captain America, and HYDRA. There were some weak points in this film, but the action was worth it. Captain America: The Winter Soldier (left) and

4/5

Captain America: Civil War (right) Spider-Man: Homecoming Lastly, we have Spider-Man: Homecoming. I feel like I've seen this film five times already and each time gets better. This is the first Spider-Man film that takes place after the events of The Winter Solider, so characters like Falcon and Black Widow exist. Some of the scenes that were cut from Civil War make their way into Homecoming. It may not be the only sequel that exists in the MCU. Captain America: Civil War will feature an incredible cast. Chris Evans returns as Captain America, but with a drastically different look. It will also feature a crew of actors like Anthony Mackie, Sebastian Stan, Robert Downey Jr
