PUZZLES IN FIVE MAJOR CATEGORIES Capture- the most popular puzzle category on the web - puzzles around the world, the largest puzzle catalogue to ever exist on the web. Popular Puzzles: Puzzles from a wide range of categories that are found in your regular puzzle box. Timeless: Classic puzzle compositions that look the same no matter what decade it is. Manual: You're not only able to set the speed at which the puzzle is solved but also how the pieces move. Competitive: For those who want to compete with others, time their attempts to compete against others online. Themed Piles: Create themed puzzle piles by combining puzzle pieces into unique groupings that are solved together. Themed Puzzles: Create and play puzzles inspired by popular series like Star Trek, James Bond, etc. Other: A wide range of other interesting categories that all serve different puzzles that range from useful to bizarre. Puzzles in this category include Crosswords, Mail Puts and Word Search Puzzles. There are a few specialized puzzle categories like Puzzle Holes, Pyramids, our first puzzle category created for this puzzle game, Puzzle Holes, where you are presented with the puzzle pieces as holes and you're expected to insert the puzzle piece in the hole. Mail Puts puzzles are puzzles that are a combination of a puzzle and a mail box. As the name suggests, you're presented with a puzzle and are expected to compose the puzzle's solution and put it in the mail box that represents the puzzle piece. Back to Puzzle Holes, the puzzle pieces are in the shape of letters and you're asked to compose the puzzle word. Word Search Puzzle are also puzzles that combine a puzzle and a word puzzle. Expect a puzzle word made up of puzzle pieces that have to be put together to form the word. These categories are specific to this puzzle game and aren't seen anywhere else in this game. COMPLETE CONTROL OF ALL POSSIBILITIES Pixel Puzzles Ultimate brings you unparalleled control over all aspects of this game. Customize them to your liking, share with your friends or play with full protection of your privacy. Customize your Puzzles With custom puzzle options, you can even
