In the Lands Between, you meet people and form bonds, which lead to the growth of your happiness. As you enjoy the simple life in the town of Tarn Mirr, the day will come where the war between the dark forces will rock the country of Elden. It will be a period of unsettled peace where you must choose sides. The Elden Ring is a fantasy action RPG, set in the Lands Between. In the game, you will build your own character from the basic character stats up, and you will advance according to your play style. The game's world is vast, and it allows for a unique online multiplayer experience that allows you to share your feelings with others.
