solve this problem. what can i do to free up the
space from this error. Â . Is there anybody who
can tell me is there any way to free up all space
from my Computer? A: I think this is what you are
trying to do, Turn off your Windows Explorer to
see how much Disk Space is used up by it. If you
see a big Disk Space occupied by Windows
Explorer then you can proceed like this, Delete
the file using command prompt, In windows 7 go
to the location, C:\Users\[Username]\AppData\Loc
al\Microsoft\Windows\Explorer where [Username]
is your windows username,
