-Â . A: Please, if you are going to ask such questions, try a search first. Although the link you provided is pointing to valid source, there are many other simple searches that would provide you with an answer already. For example, on Google the keyword you found is "windows 7 - Ushtrime Te Zgjidhura Matematika 12 Botimet Pegi". Typing that directly in Google gives you several relevant and valid results. As much as I can see, even Googling

"ushtime te zgjidhura matematika 12 botimet pegi zip" would give you enough results to answer your question. How to Get Updates from This Blog by Email
