Elden Ring Features Key:

Warriors, Wyverns, and Dragons 24 different kinds of fantasy creatures from fantasy worlds like Australia and Asia have gathered in the land of Murias, fighting against dark demons, a monster army and the Diablerie to save the Lands Between from destruction. Warriors of various races, monsters and human beings, including dragons, wyverns, and kings, clash in the land of the sands. Elden Ring System Unique to Elden Ring, the Elden Ring System introduces a groundbreaking new systems that provide a greater flexibility to gameplay, enabling you to focus on your party depending on your play style. The system allows customization, rapid deployment, and precise handling of your character.
Finnish Ethnic Fantasy World Made from the Kingdoms of Limmi in Finland, the Nordic nation of the dark Elves or fair and good folk, and the world of the Ice Elves, the story begins in the end time when chaos has completely taken over and the fallen gods have returned. The story takes place in a mysterious continent named Murias in the Lands Between.
Lands Between In the Lands Between, a forgotten land that seems to have become hopelessly lost in time, the kings of old rule over a fight to the death. These monsters of legend guide an adventurer as a follower on their journey to discover the truth behind the past.
RPG III style Action The action of the game is an intense fight between humans and monsters. The action is fast paced and encounters become more intense than in any other action game.

Elden Ring is an RPG game, and its development cycle has taken longer than initially expected. Since the beginning of the project, we've received many valuable comments and ideas. This time, we are going to devote a lot of development time to implementing and streamlining ideas such as cross-era communication with partners, and an online/offline play that will bring adventurers together. The details and the videos will come in the future and I want to thank all of our adventurers, who have been supporting us with your enthusiastic feedback.

Elden Ring is also proud to announce that an open beta is commencing.
