#### ## ##

## **Features Key:**

Home to an Epic Battle Loops Experience Elden Ring combines tactics RPG, traditional action game, collectible action RPG, and online battle systems, showcasing a thrilling battle experience. • Strategic Battles In addition to being able to let loose with battles in a variety of environments, skillfully put your strategy to the test with new battle types such as quick match battles that will test your adaptability. • Boss Battles with Pulsating Actions In boss battles, you should brave the challenges and use your skill to vanquish the boss. In a fight against the lord Amelshakh, you must choose, "to stop him or to be defeated." • Extensive Possession and a Great AI In extended versions of the battle scenes, you will be able to use opportunities such as possessions to make the enemy suffer from unbearable pain while you are secretly stealing things out of their homes. • A Strong Challenge Following Your Will The different armor sets, magic abilities, and weapons, you have obtained are all clearly displayed. Even the numbers relating to your current level are shown, ensuring no one can snitch on you. • Skillful Solutions There is no room for slacking. When facing difficulty, play as you normally would, but as you get better at it, you will be able to use peculiar skills to overcome the hurdle.

Take the Fantasy World in a Whole New Direction The world of Elden Ring features eight regions and a variety of realms - from fantastic lands such as Kuon and Arewk, to bleak landscapes such as the road to the Deadlands.

Seamless Rejuvenation of Environment and Characters In addition to the various regions in the world, new types of maps and dungeons will keep your feeling of excitement high.

A Fantastic Treasure Hole in the World of RPG Titles In Elden Ring, you will get into the Elden Ring, a fantastic treasure mine that delves into the history of the fantasy RPG. Visit this in-depth place to acquire a variety of treasures to increase your power and then return to revive the world.

Authentic Graphics Built upon Fantasy Concepts The graphics have been built using the concept that "a fantasy setting is a world where the colors, music, and atmosphere appear as a natural extension of the environment." We aim to carry this spirit over to Elden Ring and bring it to life beautifully.

####RPG ## [4.0] In an age where games are beginning to turn into a completely different sort of game, we look back at the old RPG games, and how they still hold up today. This week's episode of How I Roleplay is devoted to the old RPG games. I'm a GameMaster. I help make the games I play better. If you'd like to read more of my reviews or learn more about me check out my website! Thank you to the kind people at Fantasy Flight Games for sending me the review copy of Rise of the Runelords. Also a special thanks to the developers at Fantasy Flight Games for sending me a review copy to try out!
