Smoked is a fast paced Mafia top-down shooter shrouded in mystery. Follow Gustav as he stumbles through piles of dead bodies in his journey to rescue his kidnapped girlfriend, and gets invited to a wedding in the process. Features: 4 weapons 20 levels of increasing difficulty Quick-reflex gameplay 1 missing girlfriend 1 anonymous messenger An explosive ending Compatible with all controllers About This Game: Smoked is a fast paced Mafia top-down shooter shrouded in mystery. Follow Gustav as he stumbles through piles of dead bodies in his journey to rescue his kidnapped girlfriend, and gets invited to a wedding in the process. Features: 4 weapons 20 levels of increasing difficulty Quick-reflex gameplay 1 missing girlfriend 1 anonymous messenger An explosive ending Compatible with all controllers Additional Notes: Multiplayer is still in early development - please help me make it great, using the beta and server option. This game uses.png for graphics, so that saves me some development time if more people want to play. Movement is broken when using the keyboard and WASD keys - again, it's being worked on. If anyone wants to help, you can. Proper artwork is on the way - I'm a slacker, and the cutscenes need work. A demo for controllers will be released before the game is released. ...Q: Multiple file upload with asp.net c# issue I am creating multiple file upload functionality with asp.net c#. I am able to save the files in the database. But I am not able to retrieve the files in the new upload page. I even tried with some of the methods but no luck. I am using virtual method to show the file to the user. This is my code for the two files: public void SaveArray(SavingData[] bookingArray) { using (SqlConnection conn = Connection.CreateConnection()) { foreach (SavingData book in bookingArray) {

What's new in SMOKED:

MACKEREL 12oz (370g) £1.25 We have another really nicely seasoned and smoked fish: a smoked mackerel!! In this instance we have only half of a 12oz (370g) item, it is slightly more pricey than some other smoked fish. Again we serve it with potatoes and a small side salad. **SALT & PEPPER SMOKED FINN KILDA 20oz (570g) £2.80** Smoked finn kilda is one of the UK's smallest and tastiest smoked fish. The kiltie is prepared whole, then a cross-hatch is made along the kiltie's sides which helps it fit the 4oz (114g) weight. Fineness is usually good, they are also fished from the river kelpie, which is another good east coast salmon river. **SALT & PEPPER SMOKED POND PAÑOS 13oz (369g) £1.65** Pond paño's are great smoked fish, we mainly serve them with a mixed green salad and potatoes. We like to smoke these fish in the back, this gives them a nice subtle smokiness. These are caught and packed by the south-east coast on the river Pallas, a small estuary river near the border with Northumberland. **SALT & PEPPER SMOKED SALMON 48oz (1.414kg) £1.40** We have 3 smoked salmon items on our menu for Christmas and New Year's - a full breakfast, half breakfast and a platter. This one is from Angus and comes from husband and wife team Keith and Charmaine MacLean. Keith is the manager of Wester Prawns restaurant, so this is truly a remarkable smoked salmon. **SALT & PEPPER SQUADDAR & SEARHAM 12oz (371g) £1.50** Squaddar and Searham are native salt-preserved. Home-cured Aberdeen seafood. This is a small smoked fish, we serve it with a veg side salad, jacket potatoes and Hoddles eggs. These are still a small smoked fish with quality, consistency and flavour. **SMOKED SEARHAM 12oz (371g) £1.50** Smoked searham is a native salt-preserved smoked fish with the most flavour. Its a
