What's New In?

Bill Wizard Pro is a computer program specially developed to help you manage all your payments. The program enables you to keep track of all your bills and debts, so you won't miss a single payment, every time. An ideal tool for all those budget-oriented people who want to protect their wallets and have their cash flow topped off without the hassle of doing their own bookkeeping. Features: * Set automatic payments. Never miss a payment and ensure your bill is paid on time. * Set up automated reminders. Set an automatic reminder in advance to remind you on a date when your payment is due. * Set up recurring reminders. Set automatic reminders to be triggered on a date when your payment is due. * Set up ongoing notifications. Never miss a deadline and always make sure your bill is paid on time. * Take a note of all your payments. Never forget to pay a bill and capture your payments with screenshots in an easy-to-read format. * Charts and graphs. Print out your bills and break down your payments. * Financial balance and history. See your balance, balance due, interest accrued and other information for a summary. * Manage categories. You can create a category for different types of recurring bills and create rules to make it easy to get your job done, without the need to go through all your bills. * Create reminders for your regular bills and debts. You can create reminders to make sure your payment is due on a given date. * Import monthly expenses. Automatically import your expenses as they are added to your bank account. * Export & compare your data. Export all of your data in a chart or table format. Compare bills and debts to make sure you don't miss a payment. * Set up categories. Allocate categories to bills and debts and make them easy to manage. * Set up reminders. Set an automatic reminder to ensure your bill is paid. * Set up an ongoing notification. Never miss a payment due. * Manage Categories and Set up reminders. Set up categories for bills and debts and set reminders to ensure they are paid. Fanta App Premium Review Fanta has once again launched a new application for mobile devices - Fanta App Premium.
