While the rest of the land lies frozen in the deep sleep of winter, the magic of the Lands Between blossoms in a place far away from the shackles of the great darkness. A place where magic and purity are the most cherished things, this country is an excellent land to which you can freely go. Even greater than the fantasy and excitement of the ordinary Lands Between, this land is rich with all the variety of nostalgic human emotions. The Lands Between have produced wonderful magicians, and it is said that, in the days when the world was still young, a girl named Ildian was born. One day, while traversing the Lands Between, she encountered a strange man. She asked him who he was, to which he replied that he was a human being. Ildian was startled and asked him what kind of place it was, where the Lands Between had been, and what time it was. However, the man never explained in detail. Rather, he just pointed to the Lands Between and

### **Elder Labyrinth**

The scale of Elder Labyrinth is approximately 4,000 meters, comprising 13 main areas that include 10 levels and 182 corridors. Within those restricted environments, you will find more than dozens kinds of enemies in various weapon configurations and 3-D dungeons. You will be able to come across rare and valuable items and receive rewards for clearing the areas.

Enemies are categorized as normal, advanced, or extraordinary, and reachable through various approaches. Clearing each area will reward you.

Six different elemental attacks and 70 types of magic can also be used. The innovative control system allows you to freely explore the dungeons with a number of tactical advantages.

The dungeons are divided into levels, and the levels must be cleared in sequence to progress to the next area. Each level requires you to defeat the lower-level enemies that were created when the level was made.
