From the creators of Ultima Online and Star Wars Galaxies comes an all-new action RPG game in a brand new science-fiction setting. Discover a vast Open World with a living, breathing open-world economy. Run your own convenience store, buy and sell equipment, forge new armor and weapons, buy and sell for credits, and progress your character to the top of the player rankings. Intense Realm-Wide PvP combat and Deathmatch with up to 32 players on a single server at the same time. Explore dozens of different alien races, and unlock sidequests, history, and new content on an ever-evolving world. Learn the local language, collect gear, and meet new friends - all while building your stronghold and protecting your home. Eden Rising: Ascendant Edition is a brand new action-packed Open World game from Turbine. EPOS SYSTEM All in-game purchases and fees, including character wipes, are handled using the in-game Epic Points (EP) system. You will be able to spend EP on anything from upgrades, cosmetic items, and more. EP can be earned by completing special quests in the game, purchased with real money, or provided by a Guardian to a Ascended character. FEATURES Explore the vast world of Eden and get access to all sieges, gear, armor dyes, and more. Use the world to your advantage and create defenses with resources, pieces of equipment and friends. Build up the Ascendant Stronghold and defend it as the world burns. Create powerful gear and armors with different materials found throughout the world. Find ancient artifacts that you can use to upgrade your weapons and gear. With the new Epic Points system, earn EP just by playing the game and unlock new gear and item drops, as well as items you can use to buff your character. Untapped Resource System: The game's world is filled with resources that can be used to craft powerful gear. Build your Ascendant Stronghold and use resources to make different items and reforge your equipment. Untapped System: Utilize the world around you to help you complete your quests. Siege System: Fight in hordes of aliens through the Warden Rock, Valley of the Ascendants, Typhon's Pass, the Shattered Causeway, and Ultima Thule - all in their own unique way. Creature Roster: Explore the world of Eden and meet and fight over 50 different creatures.

Features: NEW: Dirt! Build an MPS Village Station — After a stint at the hardware store, I was able to get my hands on the final hardware for Eden Rising. The building of towns is what the players enjoy the most, and it was a fun road of grief, hard work, frustration, customer service, hardware store seizures, credit card burning, Black Friday shopping, Christmas luck, and 3:45 on December 24, when I purchased the final hardware of Eden Rising: Ascendant from my favorite hardware store. Shipping to my home is fast via USPS, and the hardware arrived safely with lots of fanfare. We unpacked in the garage, then cleared, and charged the station, locked the doors, and headed for Mars. I was too excited for any station building, so I started breaking it down:— I always liked the glass panes on the custom built-for-2K Laying Flats, so I tracked some down, and ordered them and an extra pair for the window barricade. Late into the night, we put down the glass panels, and cranked the station up to full detail: We had our first showings of interest on the day of release, although this was
