CURRENT VERSION INFORMATION Now with 1.5.x version support for games (before 1.5.x versions games did not support x86 versions anymore) Game save states are now fully compatible (compressed save states are a bit slower than usual - this is being fixed for future release) ***** Current update summary: - Full Google Play store support (all games and apps and supported in both play store download and emulator side) - Hundreds of performance and stability improvements - Dozens of bug fixes ***** This game was developed and published by MobyGames.com This game was not published or developed by the developer of this application. This game was not published or developed by the developer of this application. (You need to login or register to post a reply) Re: [SP] Game Boy classic (ADV) Nam 0cc13bf012

"I Won't Apologize for My Rage" or "Don't Ask Me to Apologize for My Rage" is a song by B'z about how they are still angry from the death of their second lead singer, Shigeo Sekino, in a bus accident on March 27, 1999. (King of Apology) B'z on Speed City 4. the one as a sprite didn't do so much, he was just really good at
