[^7]: The Jacobian will arise from a change of variables $\phi = \phi + \delta \phi$ when the ϕ^4 part of the functional integral is evaluated. In this case, we have shown the expressions explicitly in terms of the original variables. [^8]: A more explicit form can be found in [Polyakov]. [^9]: This requires taking the large volume limit for the instantons and anti-instantons and hence the results are only
