Diet of a day Diet of a day 3rd of the month February If I lose weight, I gain it by watching my diet; if I gain weight, I lose it by watching my diet. - George Herbert Tuesday, March 3, 2012 March 2012 is my second entry about a trend, this time it is a trend toward healthy food. I am influenced by certain trends. First of all I like trends that have some scientific backing. I find it easier to make a healthy lifestyle change, if the only argument is that it is good for my health or because someone says that if I do X, I will lose weight. There are many other reasons that I try to follow those healthy diets as well, but these are good supporting arguments. I am also influenced by trends that are supported by data or data is presented on their popularity. I look at websites where many people state that they have lost weight on this diet. I also often read in the newspapers or on the Internet that this diet is supported by medical professionals or in scientific journals. Then there
